Sir:

Responsive to the Notice of Non-Compliant Amendment mailed May 22, 2006, attached is a corrected version of the entire non-compliant Amendment and Response to Restriction Requirement mailed September 9, 2005. The present Amendment to the Claims section is similar in content to the Amendment to the Claims section in the Amendment mailed March 9, 2006, except that a comma has been placed into claim 1 that was previously inadvertently left out. Applicant was advised that including the text would correct the omission. Applicants respectfully request entry of the present amendment and consideration of the following remarks.

Amendments to the claims are reflected in the listing of claims which begins on page 2 of this Amendment.

Remarks begin on page 4 of this Amendment.
